I have received your message requested further documentation for my application to your university. Unfortunately, I cannot provide that what you ask for. I never received a certificate of education in physical form. I have used my college whether they could send me a new one, but they tells me it will take at least two weeks to arrive. Given that you need the documents soon, this is a problem. Fortunately, I can provide proof of address via this utility bill, and as such have fastened it to this message.
